Win Loss Activity Request Form

Win/loss information has been gathered using our player tracking system. It is intended to be used as an estimate of your win/loss and is provided as a courtesy and is not an official tax document. The yearly summary of play that we currently have available is for calendar year 2013 through 2022. The information is based on player-tracking information which includes only win/loss from slot play when a player's club card is inserted in a slot machine . It may not accurately reflect the amount of a player's win/loss if the player does not play with a player's card inserted into a slot machine. Although this information can be considered a reliable estimate of the win/loss from rated play, the Double Eagle is in no way responsible for the use or interpretation of said document.

Upon receipt of this form, we will gather the data and mail a Win/Loss Statement to the address you provide to us. Requests for information can only be granted to those with a valid Premier Club Card. Third party requests must be made in person at the Premier Club. Please print legibly and complete ALL blanks. **Incomplete requests will not be processed.**
